

WATCHES

Audemars Piguet

Royal Oak

This smaller version of the iconic model is adorned with a bezel set with 40 brilliants and the renowned silvered "Grand Tapisserie" dial, displaying white gold index and hands. The 33 mm steel case embraces a quartz movement that drives the hour, minute and calendar (set in an aperture at 3 o'clock) functions. This exquisite timepiece is also available in rose gold with a leather or metal strap.

Bovet

Amadeo Fleurier 39 joaillerie

An exquisite piece of jewellery, this timepiece embraces 12 brilliants in its mother-of-pearl heart to mark the hours and minutes, and a magnificent rose set with a hundred diamonds. The bezel and lugs, which clasp the strap fashioned with Japanese pearls and white gold gem-set spheres, are also paved with diamonds. The 39 mm white gold case houses an automatic movement that drives the two serpentine hands.

Blacksand

Continuity Sea Turtle

Its highly-decorated dial features 4 gold turtles swimming in an ocean of precious stone power; 3 of the turtles are set with an emerald whilst the shell of the 4th opens unto the jumping hour window. A 1st disc set between 5 and 7 o'clock displays the minutes whilst a 2nd features the phases of the moon at 3 o'clock. This white gold case houses an automatic movement that drives all these functions.

Breguet

Marie-Antoinette Dentelle

A profusion of diamonds and delicate, precious lace tightly clutching a mother-of-pearl dial embraces a white gold oval case. The automatic movement that it hosts drives the hours and minutes on a sub-dial. The crown, set at 4 o'clock, is adorned with a briolette diamond, a diamond-paved sphere and a magnificent 1.20-carat ruby. Its red satin strap is decorated with a folding clasp set with 26 brilliant-cut diamonds.

Blancpain

Women

A majestic silk-petalled flower, a marquetry-styled white mother-of-pearl corolla surrounded by a double band of diamonds like a crown, blossoms at the heart of this incredibly-feminine timepiece. Its automatic, slimline movement, nestled in the 37 mm white gold case, breathes life into the hours, minutes and date displayed at 3 o'clock, and offers an amazing power reserve of 100 hours.

Cartier

Temps Moderne

Play on shapes, on light, on colours: the pink and green shimmering mother-of-pearl dial houses the workings of a mechanism, set with brilliants, including a small mobile dial featuring hours and minutes. Its 42.8 mm white gold case embraces a quartz movement and is mounted on a white canvas strap. This fun-filled yet highly-elegant piece incorporates 508 (3.7 carats) brilliant-cut diamonds.

Chanel

J-12

Chanel's iconic model wraps itself in a delicate, absolutely-elegant harmony of whites and pinks. The 29 mm case, with its long, white-ceramic robe, subtly decorates its face with opalescent mother-of-pearl and crowns the timepiece with a pink sapphire diadem. A few precious details such as the 8 diamond-covered indexes and the rhodium-plated numerals and hands add the finishing touches to this beauty ritual.

Chopard

Happy Fish

As soon as you cast your eye on this blue-hued dial filled with little creatures of the sea, you feel like where you are going to cross the paths of friendly clownfish. 3 fish with rose gold bodies covered in yellow sapphire, tsavorite and ruby scales, swim peacefully in the 36 mm rose gold case set off with a precious-stone-paved bezel.

Chaumet

Class One Etonnante

Amazing? No! Really amazing? Yes! A wonderful explosion of colours with its baguette-cut violet sapphire and green tsavorite-paved bezel encircling a mauve dial, this violet titanium and white gold-cased timepiece is powered by an automatic movement. Hours are illustrated by luminescent hands running round 8 indexes, each set with 2 tsavorites, and 3 large numerals.

Delaneau

Cerisier hiver

A winter-blue-coloured cherry tree branch unfurls against a grey backdrop on an enamel and gold dial. The techniques used to enhance this tree that symbolizes renewal of life reflect Delaneau's incredible creativity and craftsmanship: grand feu, champlevé and grisaille enamelling and setting. The white gold, diamond-set (205 diamonds) case houses an automatic movement.
